Copy of letter No.C.23080-48P1 dated 10th November,48 from the Collector of South Kanara to the Secretary to the Commissioner of Civil Supplies, Madras.

Sub: Establishment - South Kanara District - Civil Supplies - District Supply Officer's Office - Staff of Peons - Additional Peon - Sanction - Requested.

The District Supply Officer's Office has 6 clerks and 1 typist at present. The office had 4 peons till recently when one was retrenched in accordance with the orders in G.O.No. Ms.635, Food dated 14-7-48. This retrenchment has hampered the quick transaction of business in the District Supply Officer's Office.

2. Under G.O.No.326 dated 5-4-48 as subsequently amended, the D.S.O. is entitled to have 2 peons and his office another 2 peons. The retrenchment was therefore over and above the general retrenchment policy outlined in the G.O. referred to.

3. Much inconvenience was caused for the prompt transmission of tappals especially when the District Supply Officer moves in camp. The difficulty is all the more great now when the work in all these branches of the Civil Supplies administration in the district has swollen owing to the reintroduction of intensive procurement and informal rationing scheme. Touring has got to be more brisk and the transmission of tappals speedy. The work is in full swing and no time can be lost in the quick despatch of work.

4. I therefore request that the Board may be pleased to move the Government to restore to District Supply Officer's office, the one peon recently retrenched and to allow me to entertain the peon in anticipation of the Government's sanction.

With reference to his letter read above, the Collector of South Kanara is requested to report whether the office of the D.S.O. is located in a separate building or in the Collector's Office building itself and whether in reckoning the number of peons retained in the Collector's office with reference to G.O.No.326, Finance dated 5-4-48, the clerks in the District Supply Officer's office were also taken into consideration and why in case the District Supply Officer's office is situated in the Collector's office, it should be treated as a separate entity.

The District Supply Officer's Office is located in the Collector's Office building. While reckoning the number of peons retained in the Collector's office with reference to G.O.No. 326 Finance dated 5-4-48, the clerks in the District Supply Officer's Office were not taken into consideration this staff being a temporary one. Under G.O.No.689 dated 15-7-48 (Finance), the Collector's Office was divided into two sections for the purpose of calculating the sanctioned scale of peons' posts - the correspondence section and the Treasury Section covered by the permanent strength of the two sections.

Sub:- Establishment - Procurement - South Kanara District - District Supply Office - Additional posts - Sanction - Further report - Submitted.

Ref:- Board's Ref.II-145839/48-C3 dated 17-1-1949.

For all practical purposes the office of the District Supply Officer is treated as a distinct one and separate though it is housed in the Collector's office building. It is on all fours with the office of the Treasury Deputy Collector which has been treated as a separate unit for the purpose of G.O.939 dated 15-7-1918 (Finance) though it is also located in the Collector's office building. Further, the correspondence section of the Collector's office is located in the upstairs of the building whereas the District Supply Officer's office is located in the downstairs in an inconvenient corner. Hence, it is practically impossible for one and the same peon to serve both in the correspondence section of the Collector's office and in the District Supply Officer's office without wasting his time unnecessarily by going up and down several times in a day. A large number of persons attend the District Supply Officer's office daily with collection petitions, permit applications etc., and unless the same is properly regulated it will not be possible to carry on the work in the office on account of the disturbances caused by them. At present the staff in the District Supply Officer's office is so ill accommodated that the building of a new office is under contemplation. In the above circumstances, the District Supply Officer's office may be allowed to be housed in the building away from the Collector's office. In the circumstances stated above, the employment of 2 peons for the District Supply Officer's staff is an urgent necessity.

p1 cf. Ref. From the Bd of Revenue F II 145739/48 dt 17/12

To A.S

The case relates to the question of sanctioning an addl peon for the office of the D.S.O., South Kanara.

✓ A on p5 of (E) Till July 48, the D.S.O. had four peons - two for work under him and two for his office

(A) With refce. to the orders in G.O. 326 Fin dt 5.4.48 the D.S.O. was asked (in G.O.Ms 635 Food dt 14.7.48) to retrench one peon retaining only three peons. The collr has now represented

p13 of (E) that under the orders the D.S.O is eligible for four peons - two for work under him & two for his office, and that the retrenchment of one peon ordered by the Govt has greatly inconvenienced him. He has therefore requested

p2 cf that an addl peon may be sanctioned for his office. The Bd has supported the collr's request and has recommended the sanction of the peon upto 30.6.49.

Bd ⊙ para 2 - p1 cf

2 It is seen from the collr's refce copied at p2 cf, that though the D.S.O's office is located in the collr's office building, the staff in the former has not been taken into account for purposes of calculating the no of peons required for the collr's office. Under G.O. Ms 324 Fin dt 5.4.48 office employing less than 10 clerks are eligible to have two peons. The clerical strength of the office of the D.S.O. S. Kanara is 6 (2 UDCs, 3 LDCs, 1 typist). In the circs the addl peon asked for by the D.S.O. may be sanctioned. Subject to orders, a draft order is submitted below for approval. It may be sent to Fin for acceptance.

[From the Bd of Rev(cs) F II. 145139/48 dt 12.2.49]

To A.S.- Notes from p1 above may be perused.

2. The Bd of Rev(cs) which was consulted with refee to the orders at A on p1 ante, has stated that although the office of the D.S.O South Kanara is housed in the coll's office building it is necessary to treat it as a separate unit for determining the requirements of peons, in view of the facts explained in the coll's report at p9 cf. It is also stated that the question of shifting the D.S.O's office from the coll's office building is under contemplation as the accommodation available there is not sufficient for the staff in the Oces, the Bd's proposal to sanction an addl peon for the D.S.O's office may perhaps be accepted. If this is agreed to the draft orders below may be approved and it may be sent to Fin for acceptance.
